FROM LAW TO DATA

Hi. I'm Ryan Ward

Can copyright law deal with progress in artificial intelligence?

RYAN WARD · JUNE 7, 2020

I originally published this with the VSCL in August 2019. A book was recently published on lithium-ion batteries. You may wonder why this is the topic …

Calculating Active Users (DAU, MAU) from an event stream

RYAN WARD · JUNE 7, 2020

Background A key Product metric looks at Daily Active Users over Monthly Active Users (DAU/MAU). It is commonly used as a proxy for user engagement …
